“ Things I will always remember about Mom W:

1. Her laugh. It was the best laugh in the world :)
2. Her whacky gifts. I have to admit that I have every pair of whacky socks she ever gave me. I love them.
3. Her disgusting smoothies. She got such delight telling you about the 20 ingredients she included in the smoothie of the day (things like kidney beans, cottage cheese and beets) and then asking you if you wanted to try it. No way!! But she loved them and they were good for her :)
4. The way she would look at you and say, "Now there's no right or wrong answer" and you just never knew what crazy thing was gonna come out of her mouth.
5. Watching her interact with her great grandchildren. She was so silly with them and they loved it! She had a deep connection with them and it was a beautiful thing to witness.

*Rest In Peace, Mom W
