

Edward Thomas Connelly Jr.

September 10, 1956 - February 3, 2026

Edward Thomas Connelly, Jr., known to family and friends as Tom or Tommy, passed away peacefully, leaving behind a legacy of service, compassion, and deep devotion to his family. He was born on September 10, 1956, five minutes after his older sister Connie, and was the first son in a lively family of eight Connelly children.

Tom graduated from Mount Saint Joseph High School in 1975. In 1976, he proudly entered active duty in the United States Air Force, serving as an Airman First Class and working as a Medical Service Specialist. After leaving active duty, he continued his commitment to service by joining the Maryland Army National Guard, where he served honorably until 1991.

Guided by a lifelong desire to care for others, Tom worked with the Baltimore Association for Retarded Citizens as a group home manager before pursuing a career in nursing. He earned his nursing degree and passed his boards on his first attempt in 1992. He went on to work in the Cardiac Intensive Care Unit and later in the Emergency Department, where his steady presence, skill, and compassion made a lasting impact on patients and colleagues alike.

Tom was preceded in death by his parents and his beloved sister Patty. He is survived by his loving wife, Elena; his son, Glen; his sisters Rosemary, Sally, Connie, and Beth; his brothers Kevin and Jerry; countless nieces and nephews; and his faithful pups, Phoebe and Sundae.

Tom will be remembered for his dedication to helping others, his quiet strength, and the love he had for his family. He will be deeply missed and

lovingly remembered.

“ Uncle Tommy has been a constant in my life that I am truly gonna miss.. He never had to give me a Christmas or birthday card but every single year I got one 🤗 I truly appreciate and will hold dear to me all the memories we made together.. From Vacations to Deep Creek Lake.. To him hosting parties, I remember a Ravens party that was so much fun ! I'll never forget the canoe he gave us (we still use it) and letting us stay at his place in OC. He loved to help out others and loved to put a smile on everyones face.. Last but not least I promise to keep the tradition of the chicken dance going in his honor ❤️

“ There’s a Proverb in the Bible that says: “ There’s a friend that sticks closer than a brother”. That’s who Tom is to most of us. He is the Santa on Christmas events. He is the IV therapist for hard stick patients on the floors. He is the driver who not just picks up nurses for work but drives them home too during snowstorm. He is a mentor and a father to so many children- he taught them fishing, took them camping, taught them how to drive, and introduced them to the ice cream world. Even when he retired, he still offered his service and snowcones and popcorn to the tired and weary staff during the Night Socials. He touched so many lives with his humility, kindness, and compassionate heart. He always choose to see the good in everyone.

On a personal note, everything was a shock to me - a whirlwind. Before I could wrap my mind around the 1st news Elena shared (though days apart), another news followed, and another, mostly worse than the one before. (To console others, Elena spared you from the pain by not telling you right away). I prayed for a miracle of healing for my friend, brother,colleague, and tour buddy. But miracles come in various forms, not just through healing.

Sometimes we equate our healing with His kind of healing. We forget that His ways are not our ways, His timing is not our timing. I may have not gotten the miracle I want but I believe it’s still a miracle in some way that we cannot understand now but will in the future. The Bible says “All things work together for good to those who love Him...”. As we remember Tom’s humility, kindness, love and compassion, “paying it forward “ is the way to go in honor of him. To end up, I greet you all with his famous “HOWDY?”
GOD BLESS!

“ Tom as I stand here and if I become emotional, I would like to borrow your words “ oh I’m good ,I’m good”. Tom is a very good friend , a brother and a father to my 3 children. Tom is a devoted and loving husband to our classmate Elena as I observed. He has no complain. You always hear from him “oh I’m good, I’m good” like when I ask him Tom are you hungry, let us eat.? “Oh I’m good, I’m good” in Arizona he drove us around for the whole day and going home I offer to change him in the driver seat, “oh I’m good, I’m good” in our house get together when I see him in the sala watching television alone I ask him Tom come join us “ oh I’m good I’m good” and a lot more. Now Tom I believe that you are good you are good because I know you are now with our Creator where you belong. Tom surely we will miss you but your memories will leave forever in our hearts. We love you. PAALAM...Rest well.
