“ *betty and my mother were friends since school (elementary). they remained. moured chuck sr. had many conversations. we visited her in oc. each year they always made a point of calling each other to wish hb and talk. no one had the decency to my mother to let her know. your mother would be ashamed.*

“ Great times will always be remembered by the Taylor Family as we shared the house next door to Miss Betty and Uncle Chuck for many years. Bologna and liverwurst sandwiches at the kitchen table. Long nights of basketball in the alley. Walks to the 7-eleven for slurpees with Joanie, Barb, Chuck and Jane and lots of crab feasts in the back yard. Love to all the members of this family during this time of grief. Rest assured the old memories will live on!!
