“ Gary was one of the sweetest human beings I have ever known and the privilege to work with at the Loch Raven VA Medical Center. He and I developed a humorous work experience. He was a Ravens fan and I am a Steelers fan. Football season was a true enjoyable and fun time to look forward to with our team rivalry. No matter when I called him to help with my equipment in the office, he always gave that warm and respectful response. "No problem, I will be there, anything for you my dear". He always talked about his two girls! Sharing pictures of his beautiful young ladies. A proud father if I must say. Gary, your light shined through you each day. You will truly be missed and loved by many. My deepest and sincere condolences to your daughters, family and friends who loved you.

“ Gary...a true gentleman, devoted father, and fun loving brother. He never met a stranger and was never short on kindness. You have been a special part of the Duerr family since the Hillendale days. You will be deeply missed.
