“ My condolences and prayers offered.

*I was fortunate to have spent a lot of time with Aunt Bonnie as a child. She was only 9 years old when I was born, so I saw her more as a big sister. They would do my hair, makeup, dress ups and I could not have had more fun with my Dad's sisters, of course twin Connie included.*

*As we aged, I maintained contact with Aunt Bonnie. She was my Dad's trusted confidant and helped me through some difficult news. She was truly a kind, loving, considerate, compassionate soul. She will truly be missed. God bless her sweet soul.*
