“*Mrs. Emge was such a delightful woman. She was the neighborhood Auntie to all of us kids decades ago. She and Mr.Emge enjoyed conversations with my parents about gardening. As an adult, I enjoyed bringing her novels or sitting and chatting with her on her porch swing. She was funny and so independent. I wondered what she was like in her 20s. They were truly wonderful role models who embodied grace and kindness to everyone. Much love and many prayers to your families. Thank you for spending some of your precious time with me. -MP*
