“ I haven't seen Steve for many years, but have vivid memories of him being very kind to me and having a very funny personality. I hope you all find some light and peace though this difficult time. Please know that you're in my thoughts and prayers. Katy Fassett (Steve's cousin)

“ I remember Steve as an inquisitive boy and young man. He always greeted me with a smile and right away would ask me questions. Often the questions were about family history, which he seemed interested in. He also wanted updates on what was happening now. We will miss you Steve.
